Florida's Construction Lien Law

Protect Yourself and Your Investment

According to Florida law, those who work on your property or provide materials, and are not paid-in-full, have a right to enforce their claim for payment against your property. This claim is known as a construction lien. **This means that if a lien is filed against your property, your property could be sold against your will to pay for labor, materials, or other services which your contractor may have failed to pay.**

This document provides information regarding Florida Statute 713, Part 1, as it pertains to new construction, alterations, and remodeling, and provides tips on how you can avoid construction liens on your property.

PROTECTING YOURSELF

If you hire a contractor and the improvements cost \$2500 or more you should know the following:

- You may be held liable if you pay a contractor in full and he then fails to pay his suppliers or subcontractors. A *Release of Lien* is a written statement that removes your property from the threat of lien. Before you make any payment, be sure you receive this waiver from suppliers and subcontractors covering the materials used and work performed on your property. If your contract calls for partial payments before the work is completed, obtain a *Partial Release of Lien* covering all workers and materials used to that point.
- Request a list of all subcontractors and suppliers who have contracted with your contractor to provide services or materials to your property from via certified or registered mail.
- Always record a Notice of Commencement before beginning a construction project and a Notice of Termination (of Notice of Commencement) after the project is completed or upon termination of construction contracts.
- Before you make the final payment to your contractor, obtain a *Contractor's Final Payment Affidavit* that specifies all unpaid parties who performed labor, services or provided services or materials to your property. Make sure your contractor provides you with final releases from these parties before you make the final payment.

FILE A NOTICE OF COMMENCEMENT

A Notice of Commencement notes the intent to begin improvements, the location of the property, description of the work and the amount of bond (if any). The Notice also identifies the property owner, contractor, surety, lender and other pertinent information. Failure to record a Notice of Commencement or to provide accurate information within the form could contribute to your having to pay twice for the same work or materials.

Legal documents should be recorded with the Duval County Clerk of the Circuit Court by mail, [online](#) and/or in-person. For additional information about recording procedures or if you have questions please call (904)255-2000.

POST A CERTIFIED NOTICE OF COMMENCEMENT ON THE JOB-SITE

A *certified* copy of the Notice of Commencement should be filed with the Jacksonville Beach Building Division prior to scheduling the first inspection and must be posted on the job-site. Alternatively, you can supply a notarized statement that the Notice has been filed along with a copy attached.

NOTICE TO OWNER FROM SUBCONTRACTORS AND/OR SUPPLIERS

Prior to filing a lien, a lienor who does **not** have a direct contract with the owner, must serve the owner with a Notice to Owner. The Notice to Owner must state the lienor's name and address, and a description of the real property and the nature of the services or materials being furnished. The Notice to Owner must be served before commencing, or within 45 days of commencing, to furnish the services or materials (but before owner's final payment to the contractor). A lien cannot be enforced unless the lienor has served the Notice to Owner as described above.

WHO CAN CLAIM A LIEN ON MY PROPERTY?

Contractors, laborers, materials suppliers, subcontractors and professionals such as architects, landscape architects, interior designers, engineers or land surveyors all have the right to file a claim of lien for work or materials. **Always require a release of lien from anyone who does work on your home.**

WHO IS RESPONSIBLE TO GET RELEASES OF LIEN?

You can stipulate in the agreement with your contractor that he must provide all releases of lien. If it is not a part of the contract, however, or you act as your own contractor, YOU must get the releases.

If you borrow money to pay for the improvements and the lender pays the contractor(s) directly without obtaining releases, the lending institution may be responsible to you for any loss.

WHAT CAN HAPPEN IF I DO NOT GET RELEASES OF LIEN OR RECORD A NOTICE OF TERMINATION?

You may not be able to sell your property unless all outstanding liens are paid and/or active Notices of Commencement are *terminated*. Sometimes a landowner can even be forced to sell his property to satisfy a lien.

CONTESTING A LIEN

A lien is valid for one year, unless a lienor files a lawsuit to enforce the lien prior to the expiration of the year. An owner has a right to file a Notice of Contest of Lien during the one-year period. Upon the filing of a Notice of Contest of Lien, a lienor must file a lawsuit to enforce the lien within 60 days. Failure of the lienor to timely file a lawsuit renders the lien invalid.

THE CONSTRUCTION LIEN LAW IS COMPLEX AND CANNOT BE COVERED COMPLETELY IN THIS DOCUMENT. THE DBPR RECOMMENDS THAT WHENEVER A SPECIFIC PROBLEM ARISES, YOU CONSULT AN ATTORNEY, YOUR LENDER OR THE FLORIDA DEPARTMENT OF AGRICULTURAL AND CONSUMER SERVICES.

You can register complaints and verify licenses [online](#) 24 hours a day, 7 days a week or by calling the Customer Contact Center at (850)487-1395. You may also contact the Better Business Bureau.
